

Louise

Louise takes inspiration from the past, from the Victorian interiors, the inlaid wainscoting and the halls of the Ville di delizia in the countryside. A lamp whose aesthetic interpretation fluctuates between majesty and delicacy. Louise adapts to the different needs of modern living, giving a touch of sophisticated elegance.

Design by MM Company & Matteo Agati

Louise si ispira ai tempi passati, agli interior vittoriani, alle boiserie intarsiate e ai grandi saloni delle ville di delizia in campagna. Una lampada la cui interpretazione estetica oscilla tra maestosità e delicatezza. Louise si adatta alle diverse esigenze del vivere moderno, donando un tocco di sofisticata eleganza.
